Introduction

Dear Club Secretaries, President, Vice Presidents & Committee Members

It has been four years since we last produced a Handbook, so time for an update as quite a few of the Rules and Regulations have changed. These updated Rules etc are to be found within.

Our new system of Points Competitions are proving popular with the riders following the split into three separate Masters Groups, giving a more even spread of awards etc. Last year 2016 saw a further change, in that any six rides count towards the Overall, Ladies, Masters and Junior Competitions, instead of three from each category of Short and Medium Distance. Juvenile Competition to comprise of four Short Distance events. Events continue to be well supported with an average per event of 2013; 79, 2014; 72, 2015; 78, 2016; 74. Numbers of qualifiers for the Overall Competition are respectively and as a percentage of Individual Riders 2013; 42 (23%), 2014; 36 (18%), 2015; 35 (19%), 2016; 42 (24%).

Over the past three years our Annual Lunch and Prize Presentation, has been held at a new venue, 'The Ritz at Desborough', where we have been well looked after, and the function has been enjoyed by all who attended, though numbers have dropped into the fifties. The 2018 Event will be held on Sunday 21st January at the same venue. Make a note now in your diary or on your clubs website and see if you can help to increase the numbers attending, especially if you or some of your club members are Trophy, Award and Certificate winners.

The Long Distance Competition (introduced a few years ago) based on 50, 100 miles and 12 hour still does not attract much attention. It is hoped that this competition will generate more interest in 2017. The Results are taken from the National BBAR Tables, as prepared by Cycling Time Trials. Certificates are awarded to all qualifiers. To qualify please ensure that you ride events marked with a 'B' in the CTT Handbook.

Jonathan Evans continues to maintain and update the Website for which we are grateful. Jonathan and your Committee are constantly looking at ways of improving the site to provide you with more up to date Details and Results of Events and the latest Points Tables to be more readily available for riders to peruse, plus other relevant information of interest, as this is a useful tool in our communication with the riders.

We look forward to your continuing support and participation in the events to come and hopefully you can encourage newer members of your Club to participate, whatever, it is hoped that you enjoy the events and the camaraderie they provide.
