2	Nick Pitt	23.00	Chrono RT
3	Ian Stokes	24.29	North Bucks RC
4	Paul Ashdown	25.10	Kettering CC

The move from the increasingly popular Salcey circuit onto the slightly faster A6 based Chelveston course should have produced some very fast times, but the strong and cold wind made it tough going for the two outward legs.

However the race winning time made a mockery of the conditions with Liam Stones producing another excellent time to lead the field again, with Tom a close second.

Justin Garon rode well to lead the rest with Phil and Alan in a close battle for 4<sup>th</sup>

Chris, George and Ed all producing personal bests for the distance.

Many thank to all those who supplied cakes for the tea room and to Graham Swannack and Mike Smith for helping out at the start and finish, and to Sarah for sorting out the HQ.

Next week's event will be on the same course but we have not been able to book the village hall so the Palfreemans' have kindly agreed to allow us to sign on in their garden at The Cottage, Caldecott, which is just along the road from the village hall.
